Part of this unit is working with time to the minute and time intervals. I encourage students to practice at home by reading the clock. Parents may help by asking her the time and then what the time will be in 22 minutes. Also, go backwards. What is the time? What time was 34 minutes ago?

Project: We will be learning about the moon and phases. .

ART Monday: Art in the arboretum

SPANISH: Spanish quiz (nouns gender) next Tuesday 26th. Students are taking home work folders, inside will be their study guide. Please empty the folders and send it back to school.

Chapter Book: *The Greatest Show Off Earth* by: Margaret Mahy

GENERAL INFORMATION:

We have been working on writing a poem and will finish it up this week. We will then begin writing a personal narrative. They have been doing a fantastic job with all of their writing.

On Thursday, we are having an egg hunt. We are excited to see what will be in the eggs. Remember we don't have school Friday or Monday for Easter.

Please remember to register for summer care and the new school year. It is important to have an idea of how many students will be back. We have been getting many inquiries from new families that are interested in learning more about our school. There is a discount for early registration.

Thank you to Zach and Dyshyn for helping to take care of our Plant the Moon Challenge over spring break.

Thank you Jessica for teaching all about Kenya. What a fun experience!

Repeated Information:

The Corporation Meeting is Thursday, April 4th at 5:30PM. Teachers will be presenting on what they have been working on and finishing up the school year. I hope that all the families can make it. We will have cookies for everyone.

Calendar of Events:

March 29: No School

April 1: No School

April 4: 5:30 Corporation Meeting

April 8: Remote School Day

April 19: No School/Student Led Conferences
