Next week will be all about space! We will explore our classroom like astronauts looking for the different planets, we will discuss how the planets are similar/different, as well as learn about rockets and the space station.

Monday April 8th will be a remote learning day so our students may enjoy the Solar Eclipse. Remote work packets and solar eclipse glasses will be sent home in folders. If you have any questions, please feel free to email me throughout the day.

If you have not already signed-up for a conference, there is still time! The sign-up sheet is attached.

If you are interested in speaking to Ms. Liz concerning Spanish, please let her know so that she can arrange a time to be here. elizabeth@carbondalnewschool.com
