

May 4, 2018

Dear Upper School Students and Parents,

This upcoming week we will be working on getting ready for our open house. Starting Monday students will present their work to each other and then we will be cleaning and rearranging our rooms to get ready for the actual event. Depending on the weather, we will be planting in our raised bed tomorrow. If it is too rainy to do that, we will work on repotting some of our indoor plants. Kids should dress with the idea that they will probably get dirty.

I want to remind you all that the registration deadline for the 5% discount on tuition is close approaching. Your student needs to be registered by May 25 to take advantage of this discount. Be sure to stop by the office if you are interested in working a rebate next year or would like to apply for financial aid.

Be sure to plan to attend the work day on Saturday, May 5. There are lots of small and big jobs that can be worked on. We really want our school to shine at the open house. There will be no vocabulary listing for next week as we prepare our presentations and because it is a short week.

Please remember to return the auditory testing permission slips for Monday's testing by tomorrow. Also, let us know if you can drive for the May 14 field trip to Ultimate Gymnastics. We will be leaving the school at 1:10 and returning by 3:00.

I am looking forward to seeing you all at the Open House.

Best wishes,

Carla

---
