

26 October 2018

Dear Upper School family and friends,

I hope that I get to see you all tonight at the trivia night contest. I am so excited that our class has a team. I think that they will have a good chance of winning, but more importantly I know that they will all have a lot of fun.

Our field trip to the high school on this Wednesday, October 31, has been cancelled by the high school. Thank you so much if you had planned to drive. They plan on rescheduling this in January.

Monday and Tuesday of next week will be normal school days. On Wednesday we are going to have a fun day in the class with Halloween activities and movies. It will be very casual and kids can come in pajamas for our movie. No costumes are required. Students may bring snacks to share if they wish.

On Thursday, November 1, I will be having an EGD at St. Joseph's Hospital and Ms. Annie will be subbing. Students will be having an activity day with noon dismissal. They may wear their costumes to school. Outside festival activities start at 10 a.m. and ends at 11 a.m. The classroom party will be from 11 a.m. until noon. Please consider bringing a party treat. Popular foods are popcorn, chips, vegie trays and fruit trays. Sweets are also well received. I will put a sign-up sheet outside the classroom, so you can see what others are bringing.

Since there are only 3 ½ days next week, there will be no graded work folders going home and no problem of the week. This will also be true for the following week even although it is a full week because we will be working on reflecting on our work and learning for the first grading period and starting portfolio work. There will also be no vocabulary as we will be doing some grade level review and assessment.

Best wishes,

Carla
