Happy Friday! We spent the week doing some color mixing, working on letter sounds, writing back to our secret buddies, and doing some marble painting. We did a lot of cutting practice this week! We made books about being polite and we made flowers to use as a backdrop for our assembly presentation next week. Once a month the school gets together for an assembly and each class takes turns doing a presentation. Our class is presenting this month and we will be reciting a poem about kindness. The assembly begins right at 8:30 and you are more than welcome to stay to watch our performance! If you can't make it we will post a video to our closed Facebook page.
