

Friday, December 14, 2018

Winter break is quickly approaching! We have spent the week doing more gingerbread activities and practicing for our winter program. I hope you all enjoyed the performances last night, I personally thought it was a huge success! If you have not yet been affected by the stomach bug that is going around I hope it stays that way. We have really been working on our handwashing skills here!

Weekly Focus

Letter - Nn

Number - 14

Shape - Cone

Next week is so short we will just be doing some fun activities both days. I have some sensory surprises for the kids, including peppermint slime!

Conferences will be on Wednesday, December 19th. There is a sign up sheet in the foyer of our building. We do not have school the 19th and 20th and if you do not sign up for a conference your child will be considered absent for both days.

If you are interested in helping to clean our classroom we would really appreciate it. We need the walls and baseboards wiped down, the bathrooms deep cleaned, the rugs cleaned, and the cubbies wiped out.

The laundry schedule will be as follows:

-November/December: Roberts Family

- January: Watters-Sandrock Family

Enjoy your weekend!

Ms. Jennipher and Ms. Melissa
