Happy February! We learned all about groundhogs this week. We had a lot of fun learning about shadows and some of the kids created some pretty amazing shadow drawings. We practiced our addition skills and we had a lot of cutting and pasting practice this week as well. We were so happy to finally be able to go outside today!

Focus Question - What kind of weather is best for seeing shadows?

Next week we will be getting ready for Valentine's day! We will be talking about what it takes to be a good friend, continue practicing addition skills, talk about beginning sounds, and identify patterns. We have some fun crafts and art projects lined up as well. We will also be celebrating Ms. Melissa's birthday on Monday! If you see her be sure to wish her a happy birthday!

Please be sure that your child has an extra change of clothes, we've noticed that many of the children are missing several essentials.

The laundry schedule will be as follows:

Enjoy your weekend!
