Rainbow week has made our building very colorful! We learned the colors of the rainbow and worked on making our own rainbows out of tissue paper and Froot Loops. We also completed a directed drawing of a leprechaun. Be sure to check them out in our foyer, they are awesome!

Weekly Focus

Letter - Ww

Number - 23

Rhyme - tree

Focus Question - What is your favorite color?

Next week we will be learning about different types of weather. We will write about our favorite weather, work on patterns and letter matching. We will also be making wind chimes!

Focus Question - What is your favorite type of weather?

Parent teacher conferences are coming up on Thursday, April 11th. I have placed a sign up sheet in our foyer and you can sign up for a time that works best for you. If you do not see a time that would work please let me know as soon as possible so we can make other arrangements.

Enjoy your weekend!

Ms. Jennipher and Ms. Melissa

Wish List Items: Lysol spray, multi-sized beads
