Our Dia de los Muertos party was so much fun! Thank you to everyone that came and helped facilitate activities. It was fun to see all of the kids dressed up. This week we worked on one-to-one correspondence and number recognition. We also played some fun Halloween games including BINGO and pin the nose on the witch. The kids were able to write in their journals about the best part of Halloween. Kindergarten worked on making flash cards of sight words. These were sent home today, please practice these every evening.

Weekly Focus

Letter - li

Number - 9

Shape - Cube

Color - Gray

Focus Question - What is your favorite thing about Halloween?

Next week we will be talking about Veteran's Day. We will complete some flag projects, do marble painting, and make a soldier craft. Kindergarten will be continuing chapter 3 of GoMath, Counting and Writing Numbers 6-9.

Weekly Focus

Letter - Jj

Number - 10

Shape - Cylinder

Color - Pink

Focus Question - Do you think being in the armed forces is hard work?

Please be sure that your child has an extra pair of clothes that are appropriate for cold weather.

Our class is hosting a pajama drive! Please donate a new pair of pajamas so they can go to a child in need.

Have a wonderful time trick or treating! Enjoy your long weekend!
Ms. Jennipher and Ms. Melissa
