

Friday, January 17, 2020

This week we learned about Martin Luther King Jr. and talked about different ways we can be kind and respectful to others. We made necklaces with a word that describes our character and wrote in our journals about how we can make the world better. Kindergarten continued with addition in GoMath and wrote about what they want to be when they grow up.

Weekly Focus

Letter - Oo

Number - 15

Shape - Rectangulo

Rhyme - Mail

Next week we are going to be reading The Mitten by Jan Brett and talk about how animals stay warm in winter. We will work on the skill of retelling. Kindergarten will create their own version of The Mitten.
