

Friday, January 31, 2020

We talked about snow and ice this week. We made play-doh snowmen, drew a snowy scene, and made snowflakes. We also celebrated our 100th day of school! Kindergarten finished chapter 5 in GoMath and had a test today. They will begin chapter 6, subtraction, next week. They also wrote the steps of building a snowman.

Weekly Focus

Letter - Qq

Number - 17

Shape - Corazon (heart)

Rhyme - Rake

Next week we will be talking about Groundhog's Day. We will make some groundhog crafts and work on letter recognition. Kindergarten will do a STEM challenge of building a groundhog burrow. They will also write facts about groundhogs and begin learning about subtraction.

Letter - Rr

Number - 18

Shape - Trapecio (Trapezoid)

Rhyme - Tree

For Valentine's Day, we will be having an ice cream party! Thank you to all of the parents that volunteered to donate supplies. You may bring them at any time during the week before Valentine's day.

Enjoy your weekend!

Ms. Jennipher and Ms. Melissa
