We learned so much about George Washington and Abraham Lincoln this week! Kindergarten wrote about what it would take to be a good president. We made some crafts and painted some fun watercolor pictures. We also voted on our favorite cookie - M&M won!

Next week we will be talking about dental health. We will discuss foods that are healthy and unhealthy for our teeth, do an experiment on how different drinks affect our teeth, and write about what kind of animal teeth we wish we had. Kindergarten will continue chapter 7 of GoMath and will write about the steps of brushing teeth.

We will be having an all-school talent show on March 6th. If your child would like to participate then they may sign up in the main building.

Please return the permission slip for the all school gymnastics field trip by Monday, March 2.

Have a lovely weekend!

Ms. Jennipher and Ms. Melissa
