We learned all about how to keep our teeth healthy this week! We did an experiment testing how different sugary drinks affect our teeth and talked about foods that are good for our teeth and foods that are bad for our teeth. We ended the week writing about what kind of animal teeth we wish we had! Kindergarten wrote the steps to brush teeth and continued chapter 7 in math.

Next week we will be talking about Dr. Seuss! We will work on graphing skills using colored goldfish, taste test green eggs, and create a silly character as Dr. Seuss did. Kindergarten will finish chapter 7 of GoMath and will have a test on Thursday.

Next week is also spirit week! Show your CNS spirit by dressing up each day.

We will be having an all-school talent show on March 6th. If your child would like to participate then they may sign up in the main building.

Please return the permission slip for the all-school gymnastics field trip by Monday, March 2. The field trip will be on Tuesday, March 3rd. We will leave the school at 1:45 and return by 3:15. Please leave a carseat for your child in the foyer of the main building.

We will be having a taco bar for lunch on Tuesday! 4th-8th will be serving tacos to all of the students as a project for Spanish class.

Have a good weekend!
