

It's funny how in life a person can remember certain dates from their childhood. August 24th was my very first day in high school. I don't know why I remember it, but I do. I bet back then I never thought about being a teacher on August 24, 2018!

General Information:

Our classroom will be putting together a bake sale to help support the CNS animals. On September 12th, we will have the bake sale from 3pm until 3:45pm in the CNS cafeteria. I will need students to stay after school to help sell the baked goods. I also need 2 parent volunteers to help guide the students as they run the sale. We will immediately clean up at 3:45pm. All remaining baked goods will be sold the next day at lunch. If you are interested in helping please let me know. If you are unable to attend you can help by baking some goodies for the sale. Please bring the donations to the kitchen on the morning of September 12. All proceeds go to help take care of the CNS animals.

I have some days that I will not be at CNS. I am looking for parents that need service hours and would like to spend some time in the classroom. I need a parent on September 11th and October 4th to cover my classroom

from 2 - 3 pm. You will read from the chapter book for 30 minutes and help the students with clean up and dismissal. Let me know if you are interested. I will also be gone on October 5th and 26th.
