Charlie and the Chocolate Factory by Roald Dahl

Project: Physical Science

We will explore simple machines by creating machines and using machines. We will look at the wedge, inclined planes, screw, wheels, axles, lever, fulcrum, and pulley. Most should be familiar with this from the field trip we took to Cedarhurst.

General Information

The CNS talent show is Friday, March 8th. Our class has decided to sing Justin Timberlake's "Can't Stop the Feeling". Students are still invited to sign up for an individual talent. If your child wants to participate as an individual he/she must practice on their own time. We will not provide time here at CNS. The talent show is always fun and exciting! Can't wait to see what talents everyone has.

REMINDER: SPRING BREAK IS MARCH 11-15/NO SCHOOL!

REPEATED INFORMATION

The playground is in need of boards for the fort area. If you have access to some and would like to donate please contact Courtney in the office.
