Chapter Book:

Aladdin based on Disney's Aladdin

The movie will be in theaters May 24th.

Project: Physical Science

I hope you got to come to Open House and see our display on friction.

That was a fun project! This week we will explore magnets and discuss electricity.

General Information

This year the students made Mother's Day anonymous suggestions. We took their ideas and combined it into one special gift. Enjoy! You deserve it. Happy Mother's Day!

We will be having our final field trip to Castle Park and our last pizza day on May 20th. We will have lunch at noon at CNS and leave for Castle Park around 12:30/12:45. We will return to CNS at 3:00 P.M. Please check folders for the field trip drivers form. I need at least 2 drivers. However, everyone is welcome to attend.

CNS registration is open to current families. Remember that incoming 1st - 8th grade CNS students will receive a discount if you sign up now.

REPEATED INFORMATION

Calendar of Events:

May 15: Assembly: Wear your CNS spirit wear

May 17: No School

May 20: Field trip to Castle Park

May 21: Noon Dismissal/No Childcare/Graduation
