¡Hola!

May 24, 2017

Dear Parents:

It's been a wonderful school year at CNS. I want to thank all of you for letting me work with your child, and for all of your support and love. This is the last report for the school year of what grades 4-8 students have been learning in our Spanish class:

- ***In my classroom:*** The students read "Spanglish" stories, they asked questions and described objects. They worked with different activities using school vocabulary.
- ***The family:*** We studied all members of a family tree and how people are related.
- ***Reading Comprehension:*** *The students read aloud a Spanish story and answered some questions:*
  - El Oficio De La Casa/ The Housework
  - El Cine/ The Movies
  - La Casa/The House
- ***Introduction to conversational Spanish***
- **Vocabulary Book.**

After learning each subject, we practiced with different games: bingo, matching cards, memory cards, board games. They enjoy those games! The students were assigned homework to keep practicing. Their pronunciation has improved with the reading program. I read to them, and they practiced pronunciation by reading aloud. I have been working individually with each student, and we keep practicing our letters sounds.

Your student did a great job!  
Thank you for your help!

Mrs. Liz Ramirez-Null  
Spanish Teacher
